The Hungarian Transplantation Society
Dep. of Transplantation and Surgery
Semmelweis University,
Budapest, Hungary Baross u. 23. H-1082 Budapest

Dear Drs. Kobori and Fehervari,

It is with great honor that I include the Hungarian Transplantation Society as an Affiliate of Transplantation Proceedings, thereby becoming the official journal of this esteemed society. The society name will be placed on our front cover masthead beginning with the June 2010 issue, and will appear on every cover and online.

We look forward to continuing our collaboration by publishing the proceedings of future meetings, and we agree to provide complimentary announcements of your meetings in future issues.

We sincerely wish to thank you for this privilege, and wish you every success with the impact this society has not only in Hungary, but the transplant community at large.

With every good wish, I beg to remain,

Sincerely,

Barry D. Kahan, PhD, MD
